

## Learn How to Start Your Childcare Business!

Through this free 6-week group, CIELO prepares participants with information and guidance to feel ready to follow and complete the process of registering as an FFN or obtaining a childcare license and launching their business.

### In-Person Training:

- Session 1: Entrepreneurship Program for FFN
- Session 2: Licensing Process and Requirements
- Session 3: Resources to Support Businesses

### Virtual Training:

- Session 4: Understanding Business Entities
- Session 5: Marketing Your Childcare Services
- Session 6: Introduction to Financial Projections

*Childcare will be provided at no cost for the first 3 sessions and will be limited on a first-come, first-served basis.*

### ➤ At the end of this program:

- Participants will receive a certificate.
- They may be eligible to receive a stipend if the requirements are met.
- Participants will have the opportunity to be invited to five additional workshops focused on launching their childcare business.
